The Motor Coaching Bible - Dave Galey

The following is an excerpt from Dave Galey's 408 page Book - The Motor Coaching Bible. In it he explains everything you would ever want to know about the different types of RVs and how to use them. It is a must-read for anyone considering purchasing an RV. Although some of the information is dated as it was written in 1999, but most of the information is still valid today.

To read the entire book, go to our website www.BusConversionMagazine.com and select the **Members** tab and choose **Books on PDF**. Members can log in to read this book in Flipbook format and you will find it an enjoyable read.

You will find several **Books on PDF** to enjoy in this section and as long as you have a membership (subscriber) you will be able to enjoy this collection of Dave Galey's books.
